**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a costumer I strongly appose any restriction to a competitive market of broadband suppliers. It's bad for consumers. It's bad for business. It's bad for R&D. It's bad for small and mid-sized businesses. The FCC should understand this and NOT take steps to limit this. My current phone and internet provider are competitive services, and as a result my speed and service is the best I've ever had. Don't send us backward.

David Schneider
